Visiting Lecturer of Nursing

Fall 2024

This position is located in Columbus, Indiana

Indiana University Columbus is committed to being a welcoming campus community that reflects and enacts the values of diversity, equity and inclusion that inform academic excellence. We seek candidates who will not only enhance our representational diversity but whose research, teaching, and community engagement efforts contribute to diverse, equitable, and inclusive learning and working environments for our students, staff, and faculty.

IU Columbus enrolls approximately 1000 students as a branch campus of IU Indianapolis, and undergraduate and graduate students have access to degrees from Indiana University conferred in Columbus. Students engage in classes of the same rigor and academic experiences as any student at IU, but on a smaller, more close-knit campus.

IU Columbus strives to be the destination for those who seek a high-quality education and a welcoming, distinctive small university experience that champions diversity, equity, inclusion, social justice, and belonging and prepares our students to collaborate and contribute in meaningful and significant ways both locally and globally to twenty-first-century communities. Our mission is to advance the State of Indiana and the intellectual growth of its citizens to the highest levels nationally and internationally through research and creative activity, teaching and learning, and civic engagement by offering a distinctive blend of bachelor's, master's, and professional degrees.

A Nursing faculty appointment at the rank of Visiting Lecturer is available August 1, 2024, in the Division of Health Sciences at IU Columbus. This position is a non-tenure track ten-month teaching faculty appointment with primary responsibility in teaching clinical and/or didactic courses in the undergraduate program and other courses as appropriate. Specific functions and assignments are outlined by the Department Chairperson, Campus Dean/Director, or Course Leader. This role is responsible for teaching nursing students in accordance with area of graduate preparation and/or professional experience; evaluating students in accordance to the course competencies and requirements; Participation in division service as needed; Participation in professional development; and may assume Course Leader responsibilities as needed.

REQUIREMENTS: Master's degree in nursing and two years of current clinical experience is required. Candidates must be eligible for licensure as a registered nurse in the state of Indiana. Teaching experience is preferred. Clinical teaching assignments may be in healthcare settings such as area hospitals therefore recent clinical experience in the area of teaching responsibilities is preferred. Full-time teaching experience in baccalaureate nursing education at an accredited university preferred.

IU Columbus is located one hour south of Indianapolis, 1-1/4 hours from Louisville, and 1-1/2 hours from Cincinnati. Columbus is known for its world class architecture, wonderful programs for young children, many parks, excellent philharmonic orchestra, and people trails.

BENEFITS: Indiana University is committed to offering benefits that deliver the highest quality and value. Plans funded by IU include Medical Insurance (included prescription and vision coverage), Dental Insurance, Health Savings Account (HSA); Employee Assistance Program (EAP), Base Retirement Plan (IU contributes amount equal to 10% of base salary each pay period which is subject to three-year cliff vesting requirement); Basic Group Life Insurance; Paid Time Off (as explained below); and IU Tuition Benefit for employee, spouse, and qualifying dependents. Voluntary Plans Funded by the Employee include Supplemental Retirement Plans, Long Term Disability, Supplemental Life Insurance, Supplemental Dependent Life Insurance, Supplemental Accidental Death & Dismemberment (AD&D); and Flexible Spending Accounts (FSA - including Healthcare FSA & Dependent Care FSA).

APPLICATIONS: Interested candidates should review the application requirements and submit an online application through the IU Portal including a Cover Letter, Curriculum Vita, and a List of Professional References (3 minimum) via the following link: https://indiana.peopleadmin.com/postings/24008

Questions regarding this position can be directed to Dr. Paige McDaniel, Interim Division Head for the Division of Health Sciences at IU Columbus via paemcdan@iu.edu. Review of applications begins immediately and will continue until the position is filled and departmental needs are met.
